---

### BOOKSTORE RELEASE

I \_\_\_\_\_ authorize Elizabethtown Community and Technical College/KCTCS to deduct any and all indebtedness that I may have at the Barnes & Noble (B&N) campus bookstores from my anticipated financial aid.

- ✓ I understand that I am personally responsible for payment of all my bookstore charges in the event that my grant/scholarship/loan is revoked or does not cover the entire balance of my charges.
- ✓ I understand that the bookstore charging option is for a limited time for each term and requires that I meet all financial aid eligibility and processing standards.
- ✓ I understand that I must have aid showing as anticipated aid that exceeds my balance due to ECTC in order to be considered for charging books.
- ✓ I understand that my purchases are subject to the established refund policies and guidelines of the bookstore.
- ✓ I accept full responsibility for the repayment of my charges. I acknowledge that KCTCS will pursue collection of all outstanding accounts pursuant to its Business Procedures. Further, I acknowledge if my account becomes delinquent KCTCS may refer it to outside agencies for collection with the referral being subject to additional fees and costs.
- ✓ Further, I acknowledge and hereby grant the college the right to apply any financial aid I may receive toward the payment of this note, including but not limited to PELL, SEOG, allowable external or institutional scholarships, and/or student loans.

### TITLE IV RELEASE

---

- ✓ I hereby authorize all funds, including Title IV, to be used for the purposes of payment of any non-required institutional charges (if assessed); fees, library fines, parking fine, etc. I hereby authorize all current year funds to apply to any minor prior year charges.
