5. Counselor's Notes:

Veteran was informed that he/she is Rounding Out only up to Full-Time. The "Round Out" provision only applies in the last term when the final required subject(s) is pursued. If a student drops the required classes to graduate, those classes not required for this program will be dropped from VA certification also. If a student fails the required subjects and has to repeat those subjects again, VA will pay only educational benefits for the repetition of required subjects for the program. Student cannot Round Out for the same program again.
