CERTIFICATE TOTAL	18			

Students graduating with a degree or certificate in Computer and Information Technologies may only use a course with a grade of "C" or higher (or a "P" for Pass/Fail courses) to fulfill a core or track graduation requirement.

The Computer and Information Technologies department does not accept non-general education courses older than five years from returning or transfer students without consent from the local program coordinator.

Requirements taken from the 2019-2020 KCTCS Catalog
