CIT 218	UNIX/Linux Net Infrastructure	(3)		
Subtotal		6		
Total Credits		21		

NOTES:

Requirements taken from 2018-19 KCTCS Catalog

Students graduating with a degree or certificate in Computer & Information Technologies may only use a course with a grade of “C” or higher (or a “Pass” for Pass/Fail courses) to fulfill a core or track graduation requirement.

Any CIT course can be used as a technical elective. Students may not use one course to fulfill multiple requirements.

The Computer & Information Technologies department does not accept non-Gen Ed courses older than 5 years from returning or transfer students without consent from the local program coordinator.
